

Dear Parent / Carer

It is my great pleasure to welcome you and your children to Gerrards Cross Cricket Club (GXCC).

I hope that you will enjoy all it has to offer, and that you and your children will go on to love the game of cricket.

GXCC is signed up for and adheres to the ECB's Safe Hands Policy for Safeguarding children in cricket. As such, every adult who has a designated role at GXCC and who works directly with children is vetted by us and the ECB. This includes the Enhanced DBS and Barred List Check (formally known as CRB checks). We intend that you and your children will be happy at GXCC; however, sometimes we understand that you may have concerns or difficulties. Please be free to raise these as soon as possible, so that we can rectify things at the earliest opportunity. Should you have any such concerns or queries, please approach **Christopher Marrow** – GXCC Head Coach in the first instance, and I am sure that he will investigate and provide feedback as appropriate.

Should you have a concern about your child's well-being or that of another child, or about the behaviour of any adult at the club, then please contact me directly. You can call me at any time on **07854065811** or by email **djrandgjr@hotmail.co.uk**. Should your concern be about my conduct, you can then contact **Hugh Suter** the Buckinghamshire Cricket Board County Welfare Officer on 078251 15998 or email him at **retushguh@hotmail.co.uk**.

In the interim, should there be any health-related information with regard to your children that you feel would benefit me to know, and perhaps pass on to relevant staff as is appropriate, please don't hesitate to email me with details.

I very much hope that I will have the opportunity to meet you at the club, and to introduce myself directly, and I look forward to seeing your children progress in their lives of cricket with us at Gerrards Cross Cricket Club.

Kind regards

David Reynolds
