

Rain Effectuated Coaching

Sunday

- In the event of rain a coach/member of the junior committee will visit GXCC at 8am and 10am to inspect the grounds, where a decision will be made, based on the following is the ground waterlogged or dangerous due to prolonged rain.
- Coaching will be cancelled if the nets AND the outfield are unfit for play.
- **Please don't just drop off your son/daughter, until they have spoken with a member of the coaching team to ensure training is on.** We have had some instances where parents have just dropped off and left, and contacting them has proved difficult.

Session One U6 –U9

- Cancellation notification will be via an email and posted on the website before 8.30am.
- Should training be cancelled a member or of the coaching team will be at the club, to meet and explain the decision taken.

Session Two U10 – U11

- Cancellation notification will be via an email and posted on the website before 10.30am.
- Should training be cancelled a member or of the coaching team will be at the club, to meet and explain the decision taken.

Midweek

- In the event of rain a coach/member of the junior committee will visit GXCC at 5pm to inspect the grounds, where a decision will be made, based on the following is the ground waterlogged or dangerous due to prolonged rain.
- Coaching will be cancelled if the nets AND the outfield are unfit for play.

- **Please don't just drop off your son/daughter, until they have spoken with a member of the coaching team to ensure training is on.** We have had some instances where parents have just dropped off and left, and contacting them has proved difficult.
- Cancellation notification will be via an email and posted on the website before 5.30pm.
- Should training be cancelled a member or of the coaching team will be at the club, to meet and explain the decision taken.

If it rains during a session:

- Coaches will take the boys into the club house; the session will involve theory work and the use of DVD's on specific elements of the game.
- Should the conditions improve during the evening then both in the nets (if safe) or outfield training will resume.
