

GERRARDS CROSS CRICKET CLUB

Dear Members

It is with great pleasure, and much anticipation, that we can embark upon the 2020/21 season at Gerrards Cross Cricket Club (GXCC).

You may be aware that cricket coaching has already started, the senior teams commencing their coaching on the 3rd of April.

Having just come out of lockdown, we must all continue to be mindful in terms of the risk of COVID-19 infection and spread. Please refer to the English Cricket Board (ECB) guidance and GXCC Risk Assessment COVID-19 Plan for Junior and Open Aged Cricket. This outlines the safety activities that need to be engaged BEFORE, DURING and AFTER cricket.

The basic bullet points are as follows:

- Arrive at the Cricket Club having already changed into your cricket clothing. Please have your own equipment with you including a cricket ball with your name on it.
- Please bring your own sanitiser and wear a mask as much as possible.
- Maintain a 2-meter distance as much as possible, and continue to wear your mask, as sometimes it is difficult to maintain thorough social distancing.
- It is not recommended that parents should remain at the club during coaching sessions or matches.
- Regular hygiene breaks will be built into training and matches to ensure that hands are kept clean.
- Please do not apply sweat or saliva onto the cricket ball.
- All equipment used during training and match sessions should be thoroughly cleaned after use.
- Please be aware that the Clubhouse will be closed, and there will be no admission in the club, other than an urgent situation where toilet facilities are required.
